

**CALL TO ARTISTS!**

# Fresh & SPOOKY

This year the annual *Fresh Art* juried show at Summit Artspace will have an eerie theme. The show, called *FRESH & SPOOKY*, will be held October 3 - November 8. We are looking for the unearthly, ghostly, mysterious, strange and uncanny. (No blood, guts, gore or chainsaws please.)

Guest juror/curator

**Mark Soppeland**

Three top prizes of \$500, \$300 & \$200

## Warning

Selected art may be displayed in unorthodox and re-contextualized ways.

It will be presented to enhance the *spooky* theme of this show with unusual groupings, placement and lighting.

It may take on the appearance of an exhibition installed by poltergeists.

Enter this show only if you dare!

Details on when and how to submit work will follow later this summer.

“Fresh” work wanted, created in 2008 or 2007.

All media accepted. Artists living, working or attending universities in Summit, Portage & Medina Counties are eligible.
